

March 19, 2008

Dear Friends of Happy Hollow,

Happy Hollow Children's Camp in conjunction with our title sponsor, Clarian Health Partners, invites you to the **Third Annual Happy Hollow Hoo Golf Owling** on Tuesday, May 20th at Winding Ridge Golf Club.

Since 1951 Happy Hollow has impacted over 30,000 economically disadvantaged campers including children with burns, asthma, and foster care children. In 2007 Happy Hollow served nearly 800 children setting a record for the most children served in one summer. We anticipate we will set a new record again this summer with numerous applications already submitted. Happy Hollow makes every effort to never turn away a child who would like to attend camp regardless of their ability to pay. All proceeds will directly benefit the Asthma Camp at Happy Hollow.

Please join us for a Florida Scramble benefiting Happy Hollow with few surprise local celebrity guests! Check your plans and see **Hoo is on your calendar for May 20, 2008!** Make plans today to breathe some fresh air and have a great time with friends.

This owling will include:

- \$150 Hole Sponsorship Opportunities
- Great Prizes
- Refreshments
- Fabulous lunch catered by Kroger
- Learning opportunities about Happy Hollow
- A unique and exciting day of golf you won't want to miss!
- 8 AM registration with an 8:30 AM shot gun

Reserve your team spot today as they will go quickly. You will not only experience a wonderful day playing a great golf course, but also help us bring joy to our very special campers through the amazing program at Happy Hollow. Don't miss this truly unique *owling*.
